

LE GENERAL HOTEL

ELLE HAS DISCOVERED A TRUE PARISIAN GEM: A STYLISH, MODERN HOTEL IN A FABULOUS, AFFORDABLE AREA!

The General Hotel is a three-star hotel with five-star attitude. From the moment you step inside the door and take a whiff of the unique and exquisite perfume, you'll be hooked. It's a small hotel, with a cool lobby, even cooler bar, downstairs gym and upstairs rooms, but it's got everything you need. We loved the funky touches like pink flowers all over the place, colourful sweetsies on the bar counter every evening from 6pm, and the wall that turns into a modern light display at cocktail hour. They also serve the best hot chocolate in Paris. But if you need more convincing, just look at the price: A double room costs from 190 euros a night – you simply cannot get style for less than that in Paris.
