

## *Where to sleep*

---

Where can the style-conscious weekender find a cool spot to crash without having to pay a fortune in hotel bills – or taxi fares? The **LGH** mini-chain fills this gap. A trio of budget boutique hotels have fashionable locations, slick retro furnishings and a generous (and surprisingly good) buffet breakfast. Flagship **Le Général**, which also boasts a sauna and fitness room, is two steps from République; **Le Quartier République**, **Le Marais** is, despite the name, near the bar haven of Oberkampf; and the recently refurbished **Le Quartier Bastille**, **Le Faubourg** is where its name suggests.
